Subject: Contract PO-660

Dear Sir:

With my letter to you of January 22, 1958 I forwarded a proposed Appendix VII to set forth contract hourly rates in the subject contract for the period beginning with and including December 30, 1957 through June 15, 1958. We are currently engaged in a re-organization of our facilities which will affect certain variables used in these calculations. Since you have not issued a supplement as yet in response to my previous letter I would appreciate substituting the attached Appendix VII for the former one and also including the attached Appendix VIII. The rates shown in Appendix VII are identical to those in the previous one and it only differs insofar as the applicable period is concerned. The rates in Appendix VIII have been altered slightly to reflect a change in our burden structure.

Yours very truly,

Encl.
